

REDUCE PART 135 CONFORMITY TIME WITH BLUETAIL MACH CONFORMITY

UP TO 50% IN TIME SAVINGS

BLUETAIL® MACH CONFORMITY

Based on Bluetail's industry-leading online platform, Part 135 MACH Conformity is the industry's first workflow app to manage your conformities and cut inspection time by 50% leading to more revenue, decreased costs and less headaches.

EASILY MANAGE ALL CONFORMITIES

One platform to track all in-progress, completed and certificated aircraft.

BUILT BY INDUSTRY EXPERTS

Built in partnership with Wheels Up, Solairus, Jet It, Wing Aviation & Mach Point

START WITH ONSITE SCANNING

Get your conformity records digitized and uploaded in a secure manner.

CONFIRM COMPLIANCE WITH CHAPTERS 4 & 5

Upload a list of OEM Chapter 4 and 5 requirements and let MACH Search do the work.

VERIFY AD & SB ACCOMPLISHMENT

Upload a list of applicable ADs and SBs and, with one-click, find all records related to them.

GOODBYE PAPER- FILLED BINDERS

Easy-to-use digital conformity binder builder for FAA submission.

INCLUDES BLUETAIL® MACH 2 SEARCH

MACH Search combines document workflow, auto-OCR machine learning, taking advantage of the same deep learning technology used by data scientists that analyze billions of pages. MACH helps you save hours and days from the old way of sifting through paper – find work orders, forms, part/serial numbers and much more!
